

CONSTRUCTION NOTICE

KISSEL ROAD MAIN

Citizens Energy Group is preparing to extend a new water mains in your area. This construction will begin on or after July 6 and will take approximately four months to complete. Construction work will require full closure of Kissel Road between Lafayette Road and W 96th Street. In addition, a short-term lane restriction will be in place along Lafayette Road during this project. Access to nearby homes and businesses will be maintained for the duration of construction. Motorists should follow all posted signage to avoid delays. Additional information about the project can be found at www.citizensenergygroup.com/CLWSP or by scanning the QR code below. We understand construction is inconvenient, but we appreciate your patience as we work to minimize the construction impact.
